Visit us at:

www.NARISV.org

to find helpful tips for homeowners. Just click on the blue Homeowner button.

Including:

- ◆ A list of local, qualified NARI professionals
- ◆ How to select a qualified remodeling professional
- ◆ How to choose a course of action
- ◆ What a well-written contract looks like
- ◆ And more!

SMART TIP: Before hiring a contractor, always check to make sure his/her license is valid, and that he/she has current insurance, both General Liability and Workers Compensation. To check a license, visit the Contractors State License Board: www.cslb.ca.gov

What is the National Association of the Remodeling Industry (NARI) ?

NARI of Silicon Valley is made up of professional remodeling contractors, product manufacturers, distributors, wholesalers, designers, architects and other industry-related professionals. We are an organization committed to enhancing the professionalism of the remodeling industry and serving as an ally to you, the consumer.

The difference between NARI and other similar-sounding organizations is that we ***are not*** a marketing firm, or a “pay- to- play” organization. Simply put, we are an organization that brings professionals who work with or in the remodeling industry together, creating an exceptional experience for consumers and turning their remodeling dreams into a reality.

Although what we are not is important, we believe ***what we are*** is even more important. At NARI, our members are pre-screened for you. Po-

tential members must first apply and then are carefully reviewed for appropriate license and insurance requirements, references and credit checks, and good standing with both the Contractors State License Board as well as the Better Business Bureau. But we don't stop there; all NARI members are held to a strict Code of Ethics and required to maintain these qualifications year after year to retain their membership.

A remodeling project is not only a valuable investment, but it may be the biggest financial decision you make this year. Don't leave it to chance; rest assured that when you choose a NARI member you will have that peace of mind that you have made the right choice.

Please visit our website at www.narisv.org for more information about our organization and our members, as well as valuable information for making your next remodeling project one that you can feel proud of for years to come. We look forward to working with you.

Gordon R. Holscher, President

NARI of Silicon Valley
